About Me .

Hi, my name is Mateo Ivanovich, I am 21 years old, and I am from
Buenos Aires, Argentina.

I am currently in my second year of pursuing a Bachelor's degree
in software engineering at the Technological University - TECH.
Simultaneously, I am enrolled in a master's degree program in
Blockchain Development at ConquerCrypto.

Furthermore, I have successfully completed a Full Stack
Development program at CoderHouse, and I have also dedicated 2
years to studying System Analysis.

I am a responsible and dedicated individual. My goal is to acquire
knowledge and gain work experience to foster both my professional
and personal growth.
